Dedication

We, the staff of the 1951 El Oroso, take pride in dedicating this annual to Ruth Reeves, who, through her friendship and understanding toward each student, has created within him a lasting interest in his school activities.

In her short time as sponsor of the El Oroso, Mrs. Reeves, by understanding guidance, has given the staff the motivation needed to make a truly good yearbook.

San Jacinto High We Praise Thee
All our Loyalty Is Thine
And We Hail Thee, Alma Mater

Miss Peggy Mauk
Feature Editor, "El Orosco"
SAN JACINTO SENIOR HIGH SCHOOL
1300 Holman
Houston, Texas

Dear Miss Mauk:

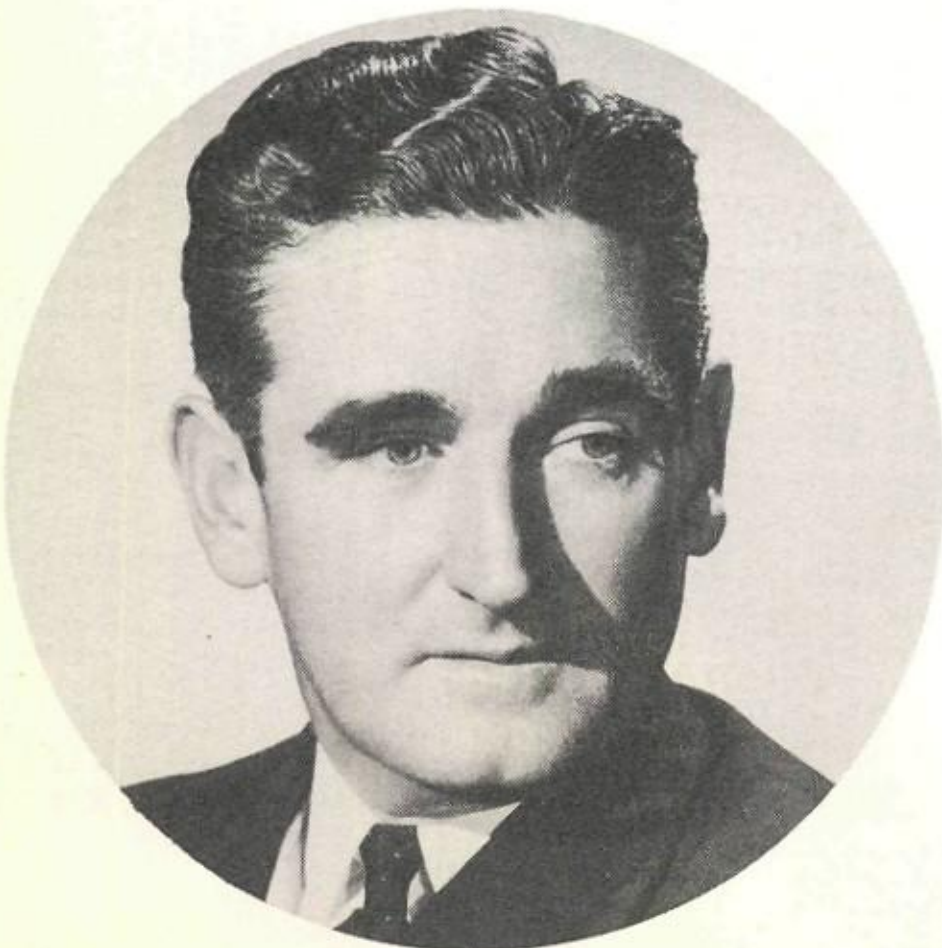

It has been a great pleasure to judge the beauty contest for your yearbook, "El Orosco." The photographs of the candidates, which you submitted, were all so attractive that I found it difficult to make a decision. It was also difficult to make my selection without seeing and talking to each contestant.

The winners: Seniors; Doris Kennedy, Bette Soloman, Jane Booker, Martha Parks, Harriette Goldstone, Annette Calish, Ruth Reagan, Marianne Walters, Dorothy Covington, Barbara Grigory, Joyce Kohler, and Judith Reeves; Sophomores; Ruth Berger, Norma Brady, Lyska Hudspeth; Juniors, Sue Jowell, Mary Jane Walton, Sara Jo Kline; were selected on the basis of personality, character, and intelligence, as well as for natural beauty. My choice was influenced, of course, by my great interest in and admiration for the Natural Girl.

If the contestants are ever in New York, it would be a pleasure to meet them. With best wishes to the contestants, to the staff of the "El Orosco," and to the students of SAN JACINTO SENIOR HIGH SCHOOL, I am

Sincerely yours,

John Robert Powers

ACTIVITIES

THE EL OROSO STAFF APPRECIATES—

The El Oroso staff has appreciated the help it has received this year. The cheer leaders and their teams have helped our circulation enormously. Mr. Dabney and the shop classes, by building us a "jail house" for black marketeers, Mr. Bickley and the orchestra, by giving a free concert (with commercial), and Mrs. Thompson and Mrs. Barnes and the art classes, by making posters and giving advice, have all been helpful.

In the annual battle of the South Enders the Lamar Redskins emerged victorious over the Golden Bears. At the half Lamar led only by a narrow seven point margin. However, the second half saw four touchdowns scored inside of five minutes. The Bears scored twice, once on a pass to Bobby Tucker and then on a line plunge from the one yard line. In the final stages of the scoring battle the fast Redskin blocking and running proved too much.

Completely out-classing the Buffs in every respect the San Jacinto Bears defeated Milby 34 to 6. The Bruins were in complete control from start to finish. Langford, Lynch, Reynolds, and Johnson scored for the Bears.

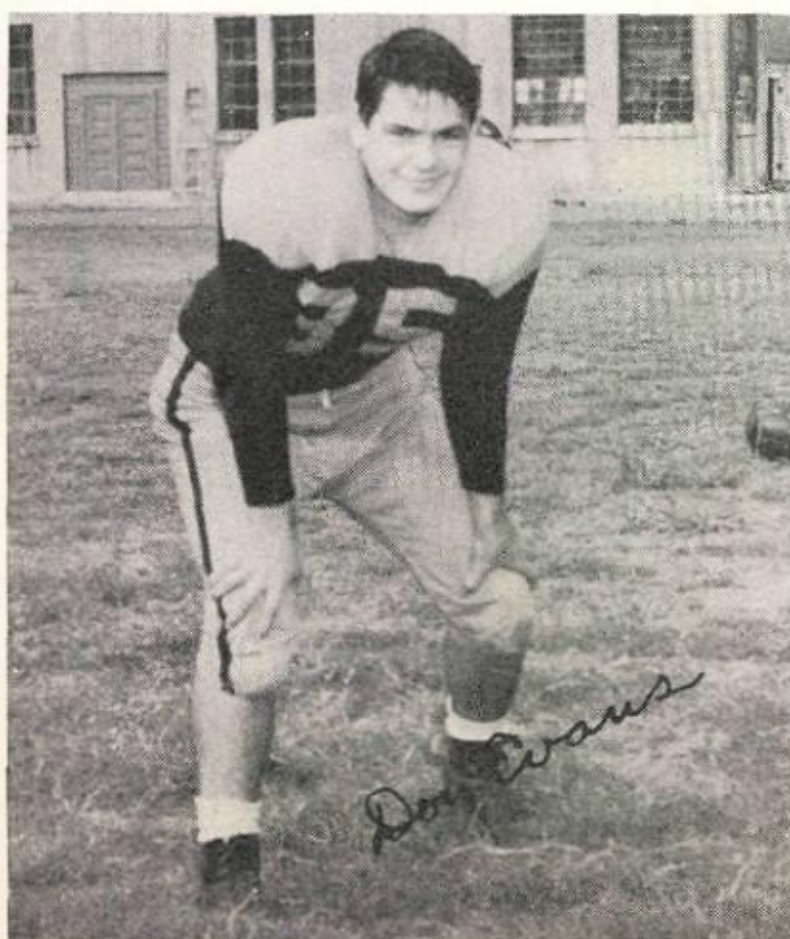

Bob Tucker

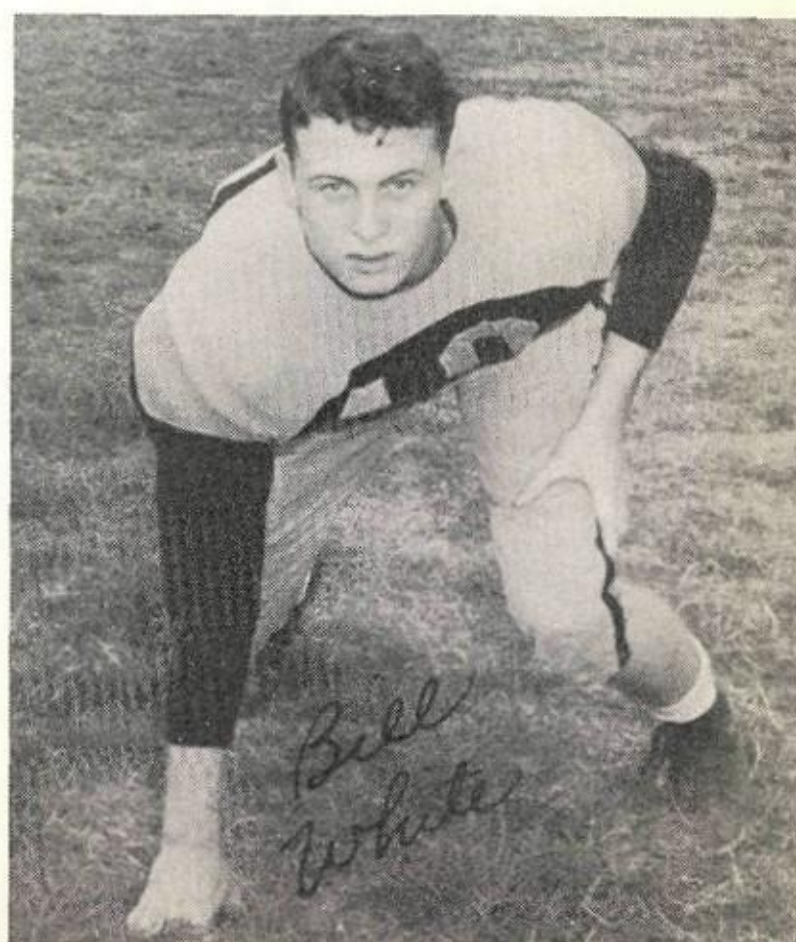

The Bears continued their winning ways at the expense of the Austin Mustangs as Langford, Johnson, and Tackle Don Wilson tallied six pointers for the Bruins.

Claude Vickers

San Jac trounced a toothless Sam Houston Tiger team by a score of 40 to 0. It was the third straight victory for the Bears. The Bruins were in command from start to finish. The Bruins were in the driver's seat from start to finish. Langford made one as did Lynch. Little Herb Chabysek made one sixpointer as his running mate tallied two. The whole San Jac forward wall played well offensively and defensively with Mabry and Lassiter standing out.

By winning their fourth straight conference game the San Jacinto Bears got a shot at the city title when they meet Reagan. The final rung on the climb was Jeff Davis whom the Bears humiliated with a 34 to 12 defeat. After playing on even terms the first half the Bruins virtually exploded in the second half to take control of the game. The sixpointers were made by Langford, 2, Reynolds, 2, and the final T. D. by Don Wilson on a 60 yard pass interception.

Reagan defeated the Golden Bears by one point. This one point meant that instead of getting a share of the City Crown, the Bears had to settle for third place. But the Bears had nothing to be ashamed of, for they played great ball the whole game. The line was tough and the backs determined, but it just wasn't in the cards for San Jacinto to win. Big Don Wilson proved himself future All-American material by playing a one man line very successfully. The touchdowns were made by Brooks, Langford, and a pass interception.

The 1951 basketball season proved to be an unlucky one for the speedy Bear quintet. The Bears did fine in their pre-season competition. They advanced to the semi-finals in the Pasadena tournament, and brought home the runner-up cup from the San Antonio tournament. The Bears dropped their first game in the J. C. tournament, but went on to win the consolation trophy. As the team swung into conference play, they found hard sledding. They ended the season with four wins and six defeats. Claude Roach was high point man for the team with a sum total of 134 points.

JUDITH REEVES, Calendar Editor

EL OROSO CALENDAR

September 11—

Hi Mary! Hi there, Joe. What did you this summer? Yes, the first day of school has come. After school as usual on this day halls were invaded by poster laden cheerleader hopefuls.

September 12—

Many and varied posters mystify and uninitiated—Chinese ones here—Mickey Mouse and Donald Duck shouting the merits of the lungs of certain ambitious students there.

September 13—

New faces in Gauchos make the old girls feel like strangers. New roll call in the Drill is confusing everyone including MAJOR BILLYE LITTLEPAGE. Girls begin drilling for the Galveston game—after school of course. Absence of boy candidates for cheerleaders is making everyone sad. MR. FINFROCK, our respected chemistry instructor, speeded up the clock by telling bedtime stories to his fifth period.

September 14—

Cheerleader candidates nervous all day. Even more candy, napkins, and school supplies were passed out. We had music before school to brighten the day, too. The candidates at last released all their energy for official try outs. The kids were good, but that gym was hot, hot, hot!

September 15—

Congratulations, LYNN, CHINK, NORMA, RUSS, CHARLES, and CHARLES! We're expecting a lot from you. Now the kids are—happily, or sadly—tearing their hard made posters off the walls. MICKEY HERSKOWITZ, who's to enter the Marines October 11, was feted with a going away party by his homeroom, 222.

New Aggies invade San Jac halls and lunchroom. ROSS LOVELL and ROY SUPER kept their hats on to hide their fish hair cut. Our football team left for Odessa, Texas. Come on, boys.

September 18—

Scene: Mrs. Copeland's Civics class. Characters: Mrs. Copeland, an attractive teacher; Bobby Holbrook, a nice young lad.

Mrs. C: Now, Bobby, I want you to give me an example of a memory we, as American citizens, have inherited.

Bobby: The days when bacon was 39 cents a pound.

Miss Tribble's ceiling fell in over the week-end. I wonder if the little red hen again thought it was the sky. Star subscription posters are taking the place left vacant by the removal of campaign posters. Unhappy day! First loss of the year. Odessa 26, San Jac 0.

September 19—

MR. PERKINS took over MRS. COPELAND'S Civics classes today while Mrs. C. turned English teacher. When he walked into his new fifth period, Mr. P.'s only comment was an agonized, "Oh, No!" Almost all the members had had the popular teacher in American history.

September 20—

Rain and more rain is making our once scorching campus a few degrees cooler.

September 22—

Last day of summer. We should be getting some fall weather in about six weeks. Ball High of Galveston fell to the might of San Jac, 32-6. Boys, you're wonderful. We love you! Hurrah for MRS. BYRNES. She threatened to move RONNIE HAUSER to another registration if he doesn't subscribe to the Star. KEN LANGFORD proposed marriage to LYNN HOLLEY today in a note he was smuggling to her in Civics. However, MR. PERKINS read the epistle to the class and—

September 25—

National Honor Society held first meeting of the year and elected JOHN LANCASTER its president.

September 26—

Senior girls may take the advice of an English ballad which tells them—"Whistle, daughter, whistle if you want a man."

September 27—

We're really getting hep for our St. Thomas tussle. Pep rally today. Gauchos went home and soaked their feet after two hours of drilling.

September 28—

A new choral group, the "El Orosio Ellies," and many other inspiring thespians introduced the new students to the activities of the school.

September 30—

An hour and 40 minutes of waiting and 30 minutes of drilling occupied many San Jac students as the Rice parade began the day's festivities. At the game tonight Woody Hermanson led a whole string of rushing girls trying to find the correct parking lot. Unsuspecting Woody had no idea where she was going.

October 2—

When BOBBY HALL got a theme back from MRS. REEVES, she asked him to be more explicit on one particular point—what J. T. Long says about girls. You were saying, Bobby?

October 3—

"Aw, who'll loan me a white shirt?" was the anguished cry of forgetful boys as the seniors began posing for their El Orosio "portraits".

October 4—

Youth Council meeting brought out a record attendance. Seen sixth period: JO ANN ANDERSON and LINDA MONTAGNE rushing around fixing the punch. BARBARA SHELDON discovered that ice really melts. Poor BABS spilled a whole sack full on the back seat of her car rushing back to school to cool the fore-mentioned punch.

October 4—

CLAUDE ROACH and JON CAMPBELL turned musical in art today as they "entertained" on their ukes.

October 9—

ROSE ELLA CANTRELL got her picture taken today. Nothing startling, it's true, but when the photographer told her to put her feet in the circles—several feet apart, she found, by the trial and error method whether he meant one circle at a time or both at once.

October 11—

Christmas is here as the N.H.S. puts its greeting cards on the market. They're bargains, too.

October 12—

Entertainment of the highest degree visited us today. First we heard timely talks on fire prevention and safety. Then came the songs by the Four Flats and a Sharp. Everyone said good night to Irene and went to class refreshed.

October 13—

All minds were on tonight's game. Will Lamar fall or will we be the ones to admit defeat? There is a rumor that we're to have a real bear as our mascot for this game of all games. Sad were the hearts of the bear rooters as San Jac fell to a grand Lamar eleven, 26-13. San Jac would have had to change their symbol to an anteater if they were to have their mascot at this game, for that's what it turned out to be.

October 17—

City wide CSU meeting at Davis well attended by Southenders. In fact there were 30 kids going and one car. We got more cars.

BERNICE BOZON was elected GBC head today. That's wonderful, BUNNY.

October 18—

If you see a bunch of girls running around with only one red fingernail, don't get excited. They're the office girls, for MRS. HOLBERG left an unguarded bottle of fingernail polish by the phone. Any strange noises heard on the third floor may be attributed to a certain English teacher, shoe in hand, supplying the knocking for a scene from MACBETH.

October 19—

JUDITH ANDERSON and MAURICE EVANS per-

formed *MACBETH* on records today in 317. Could that be the weird music the journalism classes were entertained by?

October 20—

Our boys did shine tonight. Milby 6, San Jac 34. It was a grand victory.

October 24—

Report cards were distributed at 3 today. The first obstacle has been overcome—by most.

October 26—

There has been quite a controversy going on among senior English students who are trying to agree on the qualities found in an ideal mate. Two active participants in the debate were *RONALD LASSITER* and *BOBBY HALL*.

October 27—

Overheard in the halls department: *MISS OATMAN'S* students, who are studying *HAMLET* and memorizing "T. B. or not T. B."

San Jac won over Austin 26-13 in a gridiron battle. *D* and *B* privates, who had been very generous to their officers, were rewarded with candy suckers at the game. The Drill looked on hungrily.

October 28—

Congratulations to *BOBBY HALL* and *AL BRUTON*, the two fine lads who are to head the *BBC*.

October 30—

Physics was brought to English as several inquisitive students, namely *LOUETTE KESTENBERG*, *KENNETH DUPREE* and *BILL KIMMEY*, experimented to find if a piece of paper and a pencil dropped simultaneously from the same height really would reach the floor at the same time.

October 31—

The fourth period foods' class had a Halloween party. If there wasn't too much chocolate icing on the iced doughnuts, blame *SARAH MARTIN* and *NANCY PAYNE*.

November 2—

Winners again were we with a 40-0 victory over Sam Houston. Keep pulling and we'll be the champs yet. *FAY ANDERSON'S* mum corsage from the Austin game was still wearable. Good refrigerator at the Andersons.

November 3—

No teachers at school today, so we all decided to stay home. Each of our teachers and administrators were entertained by some business or industry. Both teachers and students had fun.

November 9—

We had several distinguished guests for Business Education Week assembly. *MRS. GALDONIK* presented *JONATHAN MALEV* a radio for his winning "I Speak for Democracy" essay. Good work, Jonathan.

November 10—

GBC's sponsored the first dance of the year—a hash dance (or do you prefer spaghetti?) The El Oroso closed a successful subscription drive.

November 11—

San Jac's band finished drilling in the parade today before the Gauchos had even started. It was cold, too. Once the girls really scattered as an impatient ambulance bore down upon them. Captains *LAURA KIMBLE*, *PAT BROWN*, and *CLAIRE JAWORSKI* took over the drill during the half as we beat Davis, 34-12.

November 13—

The Drill girls were greatly shocked at being dismissed after school. It seemed the *D* and *B* wanted to be alone.

November 14—

MISS EVAN'S punch bowl met a sad end at the Youth Council as refreshments were being prepared. The punch was good, and not a single piece of glass became lodged in anyone's throat.

November 15—

The American Legion Club has been busy sending boxes of food and clothing to Scotland. The kids had a fine time doing it.

November 16—

DONALD ARONSON convinced many of his classmates that it was snowing second period. In Houston? Now really, Donnie. Many San Jacinto students showed a real interest in organizing a chapter of the Allied Youth, a club which tries to show the evils in alcohol. *JAMES ALTMAN* was appointed acting chairman of the group.

November 18—

"Beat the Bulldogs" rang long and loud as the all-important and decisive football battle with Reagan got underway. The final score was a close and sad, 20-19.

November 21—

Two fist fights "entertained" the third floor today. Please watch it, boys.

November 22—

Company skits entertained the Gauchos at sixth

period. Highlight was a fashion television and radio show composed mostly of commercials, presented by *SUE JOWELL'S* aspiring thespians. The Drumstick Drag, our Thanksgiving hop, brought out many turkeys—I mean students.

November 27—

PATSY CRAIG was quite taken aback to find a roach in her notebook. We wonder—was it dead or alive.

November 29—

The football banquet held at the San Jacinto Inn. As the lucky players and Gauchos ate their fill (emptying the Inn's kitchen), it was announced that *CLAUDE ROACH*, *CLAYTON REYNOLDS*, and *REED BROOKS* have been elected tri-captains. Watch those raw oysters, boys.

JAMES ALTMAN was elected president of the Allied Youth. *BOBBY HOLBROOK* is to serve as vice-president.

November 30—

NORMAN LASSAR played beautifully on the violin as his English class was temporarily turned into a music appreciation class.

December 1—

HAROLD SCHILLACI really worked hard to convince *MISS SCHULTZ* that if two minuses make a plus then *F*—must certainly mean *F* plus.

December 5—

The directory staff is busy preparing for the "unveiling" of the book.

The seniors are wondering—will we ever get our rings?

December 7—

Impressive Pearl Harbor Day Services were held on the front campus. A grand group of students gave a wonderful program for the Youth Council today. Those who attended got a lot from it. *DOROTHY D'INGIANNI* got a bit confused—started calling her English Teacher "Mrs. Wordsworth."

December 8—

Huddle Hop announced *MARLENE PREBLE* football queen. Marlene is the first junior ever to be elected queen. All San Jac mourns Reagan's loss to Sunset for the state championship.

December 13—

MR. PERKINS slipped today when he indicated he could tell his classes about the Spanish-American War from personal experiences. Boxes were distributed by Youth Council members to begin our Christmas giving project. Fill them up, kids.

December 14—

Beautiful Christmas music by the combined chorus classes left the students inspired. There were problems, though. The cardboard sheep on the stage fell over, and a restless baby left the downstairs laughing.

December 15—

If a strange person extends his hand to you, don't back away. It's a proud senior showing off his ring. The GBC held a successful Christmas party for the orthopedics. There was entertainment and food. Blue and white was the decoration theme for the *BBC* Christmas dance in the ballroom—cafeteria to the day attendees.

December 16—

The Youth Council was host to a party at the College Oaks Clubhouse. There was food, fun, and games for all.

December 18—

The rooms seemed empty (they almost were) as students left school to work. The *D* and *B* was entertained by the luckless (or lucky) sophomores.

December 19—

Games took the place of studies in many of the classes. The speech students gave the English classes some Yule spirit with their inspiring recitations. Christmas music was had, too, as the chorus classes paraded through the halls. The Girls' Chorus made an impressive musical tree in the lunch room. Merry Christmas, everyone!

January 2—

Happy 1951 to everyone. It's good to be back to school after the building, faculty, and students have had a grand rest. Everyone is sporting Christmas clothes whether they are on top or underneath.

January 4—

Now it can be revealed. *J. T.* divulges that he did not want to kiss girls when he was a lad of 10.

January 5—

NANCY ALLEN and *ELEANOR CHEW* were quite excited when they spied a fraternity pin on *ANNE LACEY'S* sweater. Footloose Anne was really puzzled until she saw her faithful Gaucho pin holding its own on her wrap.

January 8—

Today was a big day at San Jac. *N.H.S.* invitations were given out, and beauties were announced.

"Congratulations" rang through the halls.

January 9—

"One, two, three. Smile. Hold it." Every afternoon some club group is recorded for posterity—and the *EL OROSO*.

January 11—

Jeanne d'Arc had *LINDA MONTAGNE* really weeping in French class today, and in English Class, the *PICKWICK PAPER* kept *KAY BERRY* in stitches. Never be it said a day at San Jac is dull.

January 12—

Master programs for next term were released today. The time of reckoning is near.

January 17—

Sign up day. Seen everywhere, anxious students racing down halls to be in the "first thirty."

January 18—

Well, shut my mouth. Here are the *BEAR CAPADES* of 1951 sponsored by the speech and drama departments. Highlight was a review of 1951 with one San Jac lovely and her escort representing each month. Orchids to the Houston Chronicle for that wonderful publicity.

January 19—

NATIONAL HONOR SOCIETY installation and reception took up most of the afternoon. Seen that afternoon were the new members sprouting their shining keystones.

New members of *QUILL* and *SCROLL*, honorary journalism fraternity, were announced at Miss Guthrie's farewell party tonight. Congratulations to the lucky journalists.

January 20 and 21—

All San Jac students stayed home this week-end to study for finals. Didn't we, kids?

January 23—

Well, finals began today. There is nothing else to say.

January 24—

Why are so many students suffering with writers' cramps?

January 25—

Everyone breathed a big sigh of relief as one o'clock and the dismissal bell came around.

Commencement night. Good luck, graduates.

January 26—

Revelation (report cards). A day of smiles and tears.

January 28—

Ingenious boys warmed themselves with a private bonfire before the entering bell rang.

January 30—

When *CHINK ANDREWS* alphabetized *MR. PERKINS'* class cards some how *ROACH* came after Andrews. Wait Chink you can't cheat the alphabet.

February 5—

Seen in the halls are ex-students back to say good-bye and take one last look at us. Our boys are off to the service.

February 6—

LAZAR GREENFIELD is the new president of the National Honor Society. He succeeds graduate *JOHN LANCASTER*.

February 8—

The Texas Junior Academy of Science has been reinstated at our ol' school. *BILL WHITE*, last term's prexy, remains at its head.

February 12—

New members were announced today by the Quill and Scroll Society. *BERNICE BOZON*, a double lucky new member, was elected president.

February 13—

Several registrations together for two and a half years were split up today. Old friends will miss seeing each other every morning.

February 14—

And a happy Valentine's Day to you.

February 15—

First assembly of the new term. Outstanding professional men tried to persuade us that we must all work hard and that their work would be best of all.

February 16—

Seen at school: Teachers and administrators scurrying around getting set for evaluation.

February 20—

Third, fourth, and fifth period classes seen empty as Gauchos practice at the Coliseum for the Crippled Children's Ball.

February 22—

Immodest mannequin shocked, tickled, and scared journalists and their friends as she invades the press room until the dance Friday night.

Our Gauchos shined (they used flashlights) at the Shriners' Ball.

February 24—

Seen at school this Saturday were the foods' girls working for Sunday's evaluation tea.

February 25—

Our faculty and their evaluators met at an afternoon tea.

February 26—

Evaluation is in full swing. Foods' lab has its ovens full every minute.

A student committee met with the evaluators to talk over the way they feel about their school.

February 27—

We are getting to recognize our new friends and visitors. A second meeting was held between students and evaluators.

February 28—

Evaluation is over for five years! The reports are in and the meetings are over.

March 5—

San Jac students returned from a speech tournament today with over one-fourth of the prizes. Kids, we love you.

March 6—

Another victory: *DON WILSON* breaks record for the shot-put. (San Jac placed fourth in entire track meet).

March 8—

Battle of wits was held today in class between *J. T. LONG* and *BOB DANNENBAUM*. Winner is yet to be announced.

March 9—

Juniors beat the Seniors at their annual football game. Now Seniors!

March 12—

Beauty *KAROLYN GOLIBART* has been proclaimed Miss Houston for the third straight year.

March 13—

The Youth Council presented a program for Lamar's CSU at the Westheimer school this afternoon.

March 14—

The June graduating class elected *BILL WHITE* to lead it. *BILLYE LITTLEPAGE* drew vice-president; *CHINK ANDREWS*, secretary; and *S. M. HALLIBURTON*, treasurer.

March 15—

Senior superlatives out! Look on the conservatory and see if you agree with their choices.

March 16—

Student Council plans are really in the making! A group of students is holding meetings with *MR. GATES* during sixth period several times a week.

Track Follies held tonight to entertain San Jacites and friends.

Every week-end is now filled with parties for graduating seniors. When Monday comes everyone is ready for a restful week.

March 22—

Mrs. Glosup's chorus classes presented an inspiring program of Easter music. A modern dance around the Cross by Mrs. Shaw's girls added to the impressiveness. We are out for the Easter holidays! After months of suffering with a worn out typewriter, the Star was made happy when *MRS. CHANEY* put the machine back in working order as quick as could be.

March 24—

MARILYN DENTLER honored the Gauchos with a coke party at her home.

April 20—

MRS. GLOSUP presented her students in a wonderful operetta today.

April 26—

Our Gauchos sweated through Competitive Drill today. Their hard work is at an end. Now come the weeks of wondering who came out ahead.

April 27—

The Gauchos celebrated their new freedom by presenting the Gaucho Gaities this evening.

April 30—

Gauchos make news again. Today they held their annual picnic.

May 4—

A rose festival was the theme of the awe-inspiring May Fete held this evening. The court could not be surpassed.

May 11—

The Gauchos held their banquet and ball tonight. Congratulations to the new officers. You have our confidence.

May 18—

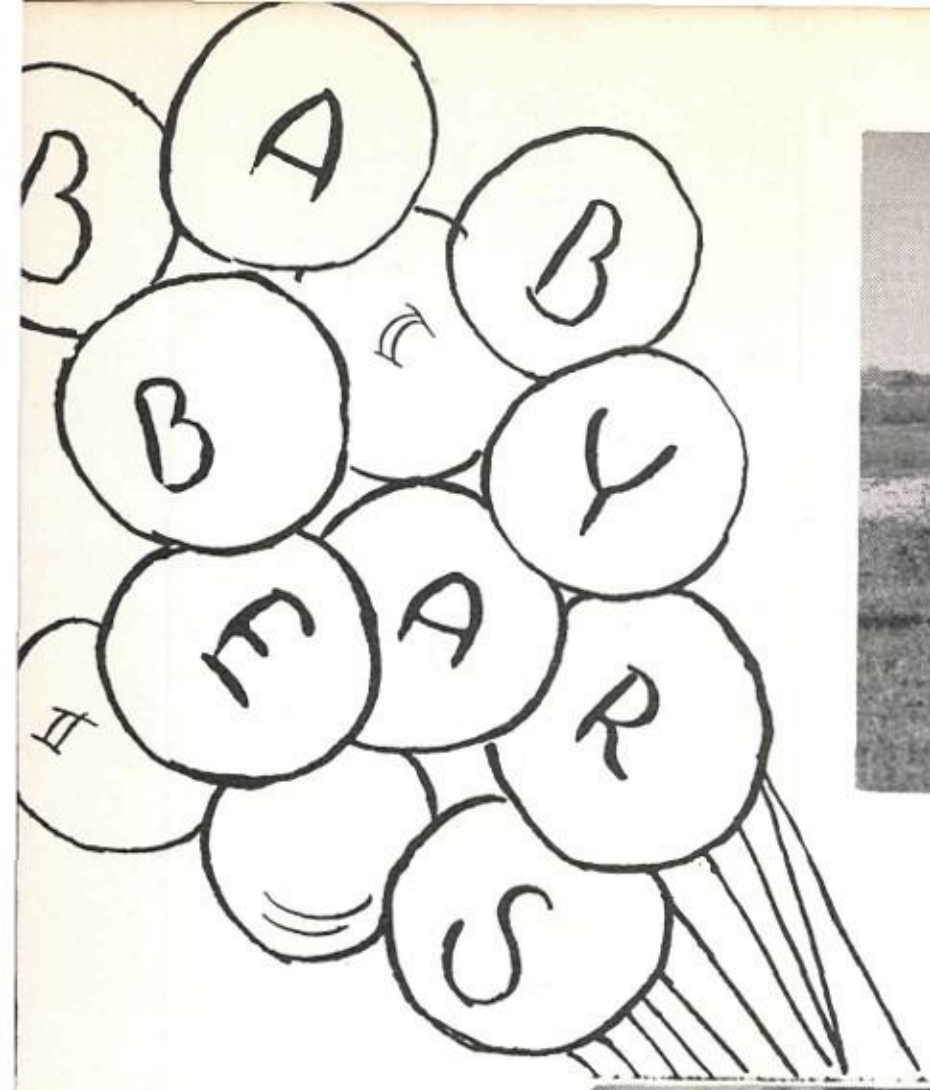

Picnicing again. This time its the Seniors who are taking time off for fun.

May 25—

The Houston Country Club and the Senior dance! The last fling before finals was this.

June 1—

Good-bye kids. May this summer be one of your happiest.
